7 Partnership Division Reschedules to Home and Home for 14 Matches

IN an effort to allow home and home matches, the 7 Partnership Division schedule was revised and now includes 14 matches for each team. Revised schedules for both divisions (including match results) and a revised captain's roster are all posted on the [tennisjax.com](http://www.tennisjax.com) web site. Captains should download, print and distribute the revised schedules to their team members as soon as possible. Match dates are affected only on the 7 schedule. This is revision number 3. Please call with any errors or omissions.

Minutes for the Sept. 3rd meeting are also posted on the web site. Rules were voted on at the meeting and the minutes detail the changes. One change dealt with encouraging teams with 7 and 5 partnership teams to equalize talent between both teams. Another rule revision dealt with how many matches could be played in a higher level league before disqualification from playing on the

original 5 or 7 partner C team (no more than 3 matches).

IF you haven't already, please email your **roster for 02-03 as an Excel file (download from web site "forms")**. You can fill in the blanks in Excel. After sending the Excel file attached to an email, print out a copy, have your Pro sign-off on it and mail it to me. Also, please send maps to your club. I will scan and post them on the web site so that new players will have directions to your club.

Also, if you haven't already, please mail your \$75 team dues (made out to Doug Matthews, we now have a separate, free of charge, C League account in Doug's name at Vystar, the old Jax Navy Credit Union) and email Excel roster. Next meeting is 6:30P, Tues., March 18 at Deercreek.
