Men's "C" League News

SG and SA move from 7 to 5 Division

Due to a shortage of players, both Sawgrass and Saint Augustine have moved from the 7 partnership division to the 5. Although Sawgrass was the runner-up in the 5 division last season, and had hoped to move to the 7 partnership division, they found many of their players were not returning from up north until after the holidays.

Revised schedules for both divisions and a revised captain's roster are both on the tennisjax.com web site. Captains should download, print and distribute the revised schedules to their team members as soon as possible. Match dates are affected.

Minutes for the Sept. 3rd meeting are also posted on the web site. Rules were voted on at the meeting and the minutes detail the changes. One change dealt with encouraging teams with 7 and 5 partnership teams to equalize talent between both teams. Another rule revision dealt with how many matches could be played in a higher level league before disqualification from playing on the original 5 or 7 partner C team (no more than 3 matches).

Please email your **roster for 02-03 as an Excel file (download from web site "forms").** You can fill in the blanks in Excel. After sending the Excel file attached to an email, print out a copy, have your Pro sign-off on it and mail it to me. Also, please send maps to your club. I will scan and post them on the web site so that new players will have directions to your club.

Also, if you haven't already, please mail your $75 team dues (made out to Doug Matthews, we now have a separate, free of charge, C League account in Doug's name at Vystar, the old Jax Navy Credit Union) and email Excel roster. Next meeting is 6:30P, Tues., March 18 at Deercreek.
