Deercreek Leads League at 89% W/L!

Only three weeks left to the season and Deercreek leads the C League with an 89% win-loss record. Eagle Harbor is second at 85% and Oak Bridge is a close third with 81%. Florida Yacht has made the greatest improvement in their program over last season, scoring a 68% win-loss record and moving into fourth place. Last year's League Champion, Ponte Vedra moved back a bit to 42%. Last year's runner-up, YMCA, improved to 58%. Oak Bridge continues to lead the East at 76%, Deercreek the Central and Eagle Harbor the West Division.

This update took a while to compile because only a little more than half of the match reports ever got to me. I had to call around to captains to get a verbal score. Please remember to send your report whether you are the host or visitor.

Tennisjax.com, our C League web site, is up and running. Check it out for all the latest

standings. You'll also find archives for the last ten years including standings and meeting minutes. League Rules and all our forms are also posted. You will open the documents using Adobe Acrobat Reader, a free software. If you don't have Acrobat, you can click on the Adobe icon on the tennisjax.com home page. Please tell your team members about this site.

If you have maps to your club please send them to me. I will scan them and post them on the web site so that any new players will have easy access for directions to your club.

The next Captain's meeting will be at Deercreek, 6:30 PM, Tuesday, March 20. Please bring any new Captains or Asst. Captains with your \$60 team dues to the meeting.
